

Do you support a person with dementia?

FREE!

Free education for family carers and volunteers

The education for family carers and volunteers training programme has been launched in Stirling to support family carers and volunteers who support people with a diagnosis of dementia. It covers aspects of dementia care that many people find difficult. You will receive practical, up to date advice and information to support you.

Last Friday of every month

Contact DSDC at 01786 467740 or dementia@stir.ac.uk to find out more and book your place.

This training has kindly been funded by RS Macdonald. DSDC is proud to be partnering with:
